

W/E KAN Volunteer Program

Weekend/Evening Kids Action Network Volunteer Program

The **W/E KAN Volunteer Program** provides supervised, group student service learning and community service projects to middle and high school students. This program is intended to promote a healthy attitude toward volunteering, to give youth a connection to their community, and to provide youth with a positive and rewarding pastime. All W/E KAN Volunteer participants receive a free T-shirt and Student Service Learning hours. Youth may participate in both W/E and W/E KAN Volunteer projects (provided that they meet the minimum age requirements set by the non-profit agency). You can learn more at www.montgomerycountymd.gov/volunteer

Why should YOU volunteer?

To meet your Student Service Learning or Community Service requirements, to have fun, to learn new skills, to meet new people, to improve your resume, to leave the world a better place than you found it, to reconnect with your community, and maybe to even learn more about yourself!

Ann Evans, W/E KAN Volunteer Coordinator
